

SAXDOR 320 GTO

THE BEGINNING OF A NEW ERA

Hot on the heels of the successful 200 Sport, Saxdor Yachts welcomes the 320 GTO to its range.

The 320 is modern, sexy and sporty yet, with practical deck spaces, spacious double cabin and separate toilet, it also combines a high degree of comfort and convenience.

Many of its standard features are those you might expect on larger craft, including opening side terraces and aft sun pad with sliding backrest, so the Saxdor 320 is great value for money.
