BROKER COMMENTS

The Beneteau Antares 8 is perfect small cruiser, that packs so much into its 8m length that you could easily have a weekend away on her but is also as much at home acting as a day boat. With the legendary Beneteau Air step hull, combined with the Mercury 200HP powerhouse, the Beneteau Antares 8 is a class leader.

This particular example, ready to go onto the water includes the marine heads, anchor windlass, bow thruster, electronics, and fridge amongst its many fitted options; all powered along by the Mercury 200hp outboard for quiet fuel efficiency.
