BROKER COMMENTS

Very lightly used demonstration boat available for immediate delivery.

The Greenline 40 is a 2 cabin model with twin diesel engines and a bank of Lithium batteries for overnight back up of all systems, plus a solar paneling for added economic charging.

A luxurious interior creates a modern living space with a hint of classic styling to ensure that every bit of space is utilised to its full potential.

With a comfortable saloon and fully equipped galley, plus a spacious cockpit for outdoor entertainment, the Greenline 40 provides the perfect setting for you and your guests to enjoy all home comforts at sea.
