BROKER COMMENTS

- These V10 engines provide a stunning performance with quiet running and great economy.
- These engines provide the charge required to keep the battery system charged and the boat ready for time at anchor where you will be able to run all systems without the need for any generator.
- A great opportunity to own this much sought after new model Saxdor 400 with very low hours.
- The owner is planning to move to a bigger boat.
- A berth in the exclusive Port Adriano Marina, Mallorca can be made available for this 2025 season.
- Owner is open to a part exchange
